2. [REDACTED] and applied for the Staff Historian position we advertised last September. He submitted a respectable body of writing [REDACTED] and we found him intelligent, articulate and personable when we interviewed him. He did not, however, make our short list of candidates for the job.

3. As with a number of other candidates who weren't selected, I offered to forward his file to you for consideration for possible jobs elsewhere in the Agency. He has accepted the offer, and I'll attach his vita, correspondence and writing samples.
